**CONTINUATION OF COMPLAINT:****NAME: Jorge MOLINA-Esquer****PROBABLE CAUSE STATEMENT**

On November 3, 2007, the defendant identified as, "Jorge MOLINA-Esquer" was arrested by the Chula Vista Police Department for violation of section 148.9 (A) of the California Penal Code, "FALSE ID TO SPECIFIC PO'S" and booked into county jail. While in the custody of county jail, an Immigration Officer conducted a field interview, determined the defendant to be a citizen of Mexico and placed a Form I-247 (Immigration Hold) pending his release from custody.

On January 24, 2008, the defendant was referred to United States Immigration and Customs Enforcement custody. An Immigration Agent conducted computer database record checks and reviewed various sources of information confirming the defendant to be a citizen of Mexico having been deported or removed from the United States on at least two occasions.

A thorough review of official immigration computer database record checks and information contained in the Alien Registration file revealed the defendant was most recently ordered deported from the United States by an Immigration Judge on or about May 9, 2002, and most recently removed via the San Ysidro, California Port of Entry. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System "IDENT" and Automated Fingerprint Identification System "IAFIS" were utilized and compared the defendant's fingerprints to those contained in these databases. The results confirmed the defendant's identity as Jorge MOLINA-Esquer, a citizen and national of Mexico.

All information indicates the defendant is a citizen of Mexico having been previously deported from the United States and has no legal right to re-enter.
